Dear prospective vendor,

We are geared up for the 17th Annual Norwood Arbor Day Festival on Friday April 23 and Saturday April 24, 2010. For past vendors we would like to thank you for being a vital part of our success and for future vendors we invite you to be a part of our exciting festival.

Our festival attracts an average of 5,000 to 7,000 visitors. This year we expect more as we are expanding the festival to include more rides. Again we will have a paleontology display, including a dinosaur fossil with many fun activities for children and adults. All these attractions should make this the best festival ever. As always there will be music and activities throughout the day.

Please fill out the information below completely. In addition, please provide us with a photograph of your craft or item to be sold (*if applicable*). If you are displaying products or services please give us a complete description of the product or service. Photographs and descriptions are required to be accepted in the festival.

Please send your check made payable to Town of Norwood. Also if you have any questions, please feel free to call Dwight Smith at (704) 474-3416, or Matt Irvin at (704) 474-3151.

Please fill out box below with description of craft or service below, attach additional paper or photographs as necessary:
